Present your abstract using font Times New Roman size 12. Text should be single spaced and justified. The total length of the document (title, authors, institutions, text, figure, acknowledgements and references) must not exceed one page. The red comments ("skip single spaced line, font size 12") must be removed in the submitted document. Do not put page numbers on the front of any page. Proofread your paper carefully before submitting (it will appear in the published volume in exactly the same form).

The document must be submitted in pdf format on the website (https://pre19.sciencesconf.org).
